

## Fund Impact Areas

First Community Foundation has several funds that are specific to an impact area, but unrestricted in terms of its use. Gifting to one of these funds allows you to honor an area of the church that is meaningful to you and know your donation will make a positive impact. Note that we also have an Unrestricted fund in place to assist with needs from any area.

Here are the impact areas for our funds.

- Church Administration
- Adult Education
- Camp Akita
- Facilities
- First Community Village
- Media
- Missions
- Older Adult Ministries
- Pastoral Care
- Unrestricted
- Worship and Arts
- Youth and Children's Programs

For assistance in matching your interests to an existing impact area, please contact Rev. Seth Stearns, Foundation Director.

**We greatly appreciate your considering a gift to First Community Foundation.**
